

Figure 1 is a schematic representation of the experimental design. It shows a sequence of events: a subject is presented with a stimulus (a horizontal bar), then a response is recorded (a vertical bar), and finally, the stimulus is presented again (a horizontal bar). The response is recorded on a scale from 0 to 100. The stimulus is presented for a duration of 100 ms. The response is recorded for a duration of 100 ms. The stimulus is presented again for a duration of 100 ms.
